## PROFESSIONAL EXPERIENCE

2018 - present - Lead Composer at Devotion Studios  
Devotion Studio is a Music Production studio, recording facility, which is primarily focused on audio for video games and cinematic trailers. The biggest clients: Nordeus and Zero Gravity.

- Active communication inside the team and with multiple development departments to ensure that all music needs are covered and the end results are at a high-quality level.
- Music task management in the team (description, distribution, supervision).
- Maintain high-level planning of the music production.
- Evaluate, prioritize and dispatch reported issues inside the team.
- Music Implementation supervision.

FP: <https://www.facebook.com/DevotionStudiosBG/>

2018 - present - Composer Assistant at Sonic Tree Studios  
Sonic Tree Studios is a Music Production studio specialized in producing high-quality audio for TV Adverts, Films, and TV Series. As an assistant to a Lead Composer at the Studio, Nemanja Mosurovic, I had a chance to compose, orchestrate, write additional music, organize and prepare scores and parts for the recording sessions for the biggest Films, TV Series, and Adverts in the country.

2012-present - Actively composing music for concert commissions, theater plays, and contemporary dance performances. Working on her own media projects such as Feature Films, Animated Films, TV Series, Short Films, and Documentaries.
